Dear Parents and Carers

Help Your Child through GCSE
Tuesday 2nd October, 6.00 pm – 8.00 pm

Students in Year 10 have commenced their GCSE course and are now faced with a crucial two years ahead in which the foundations for their future education and career will be laid. They will have already noticed their work is more demanding and they have more of it. They will need the support of parents and carers more than ever over this period.

With this in mind, I would like to invite you to the above event, which is an information evening for parents wishing to learn more about you can help your child through these important two years.

The programme for the evening is as follows:

- Introduction from the Head and Deputy Headteacher
- Supporting your child in GCSE maths
- Supporting your child in GCSE English
- How we track progress and provide additional support
- Supporting your child to be a good learner
- An overview of the IT systems you can use to support your children

The evening will start in the main hall and refreshments will be available.

I hope that you will be able to attend and look forward to seeing you on 2nd October 2018.

Yours faithfully

Ian Wingfield
Headteacher
