

04 April 2019

Dear Parents / Carers

The summer term will see your son or daughter sit his/her final GCSE examinations and, with your support, I would like them to be as prepared as possible. Students should aim to be able to remember everything they have learned in every subject since the beginning of Year 10. The Easter break is an opportunity for them to do plenty of revision and exam preparation work.

With this in mind a number of teachers have volunteered to run revision sessions, during the Easter break. Overleaf you will find a summary of the sessions available. As you will see, they cover a wide range of the subjects taught.

Please encourage your child to attend as many of these sessions as possible. It is my view that there is no better way to prepare for an exam than by having a subject specialist teacher in front of you. When we review the grades of the Year 11 leavers we see a simple pattern – students who attend revision sessions such as these do consistently better in their GCSEs.

If you have any questions, please do not hesitate to contact me at college.

Yours faithfully

Mr I Wingfield
Headteacher
